PROCEDURE

IT Project Requests

<u>RESPONSIBILITY</u>	<u>STEP</u>	<u>ACTION</u>
Assistant State Chief Information Officer (ASCIO) / Senior IT Portfolio Manager (SIPM)	1.	ASCIO/SIPMs deliver presentations to program areas regarding IT Readiness policy and procedure.
Agency	2.	Meet with SIPM on IT project requests' alignment with Enterprise Information Resources Management (IRM) Strategy and agency IT strategic plan. Meet with ASCIOs on all other IT funding requests' alignment with IRM Strategy and agency IT strategic plan. Submit draft request for IT budget and IT project(s) by April 30 of each even-numbered year utilizing the IT Readiness Workbook. Submit through the EIS form. The IT Readiness Workbook must be accompanied by a draft prioritization business case for each IT project exceeding \$1,000,000. Additionally, the project prioritization worksheet in the IT Readiness Workbook should reflect each IT project exceeding \$1,000,000. Note: Budget category descriptions are to facilitate consistent categorization of IT expenditures.
ASCIO/SIPM	3.	Meet with agencies to provide and discuss feedback on IT budget request(s), IT project request(s), and draft prioritization business case(s). CFO Analyst is included in meeting.
Agency	4.	By June 1 of even-numbered years, submit updated IT Readiness Workbook through the EIS form. Updated workbooks may address feedback from EIS. Updated workbooks may not include new requests not already identified in the draft request. The updated IT Readiness Workbook must be accompanied by a transmittal form signed by the agency head and agency IT leader role (Attachment A). Upload updated prioritization business case(s) (amended business case for continuing investments) in the Project Portfolio Management (PPM) system. Submit new project investments as an "idea". Submit continuing project investments in a folder labeled "project prioritization". Note: Agencies without access to the PPM system should work with their SIPM.

<u>RESPONSIBILITY</u>	<u>STEP</u>	<u>ACTION</u>
SIPM/ASCIO	5.	Meet with agency to discuss prioritization scoring differences. CFO Analyst is included in the meeting.
SIPM	6.	Develop recommended prioritization of agency IT project requests. Develop recommended prioritization of program area IT project requests. Develop recommended prioritization of executive department IT project requests.
ASCIO	7.	Develop recommended prioritization of program area and executive department IT budgets.
ASCIO / SIPM	8.	Deliver recommendations to State CIO.
State CIO	9.	Make determination of recommended priorities.
	10.	Deliver statutory report to the Governor and Joint Legislative Committee on Information Management and Technology.
	11.	Distribute statutory report to agency head and agency IT leaders.
