SELECT ONE: ☐ New policy

☐ Minor/technical revision of
existing policy

☒ Reaffirmation of existing policy

☐ Major revision of existing policy

I. PURPOSE AND APPLICABILITY

- A. A patient may be referred outside Oregon State Hospital (OSH) for medical or other professional services, if deemed necessary, by the appropriate clinical staff. This policy and attached procedures establish the requirements and parameters for situations where such care or equipment may be deemed necessary.
- B. This policy applies to all staff and patients.

II. POLICY

- A. Referral for outside medical services may be:
 - 1. for diagnostic purposes;
 - 2. required as a result of injury, accident, or condition while a patient is at OSH;or,

3. as a result of an illness or condition endangering the patient's health to which OSH is unable or unequipped to treat.
- B. Durable medical equipment or goods may be recommended by non-OSH medical or other professional services, or by a physician internal to OSH.
- C. These procedures may not be used by contract-based services for the ongoing care or for services provided on OSH grounds without Chief of Medicine (COM) approval.
- D. OSH follows all applicable regulations, including federal and state statutes and rules; Oregon Department of Administrative Services (DAS), Shared Services, and Oregon Health Authority (OHA) policies; and relevant accreditation standards. Such regulations supersede the provisions of this policy unless this policy is more restrictive.
- E. Staff who fail to comply with this policy or related policy attachments or protocols may be subject to disciplinary action, up to and including dismissal.

III. DEFINITIONS

- A. "Durable Medical Equipment (DME) or goods" in this policy means Equipment that is reusable, intended for long-term use, and prescribed by a provider to assist with a medical condition. Durable medical equipment or goods in this policy do not refer to commonly shared items owned by OSH (e.g., a wheelchair used by several patients on a unit).
- B. "Standard Medical Supplies" are items that are disposable or used up after a short period and needed for medical care or treatment.
- C. "Staff" includes employees, volunteers, trainees, interns, contractors, vendors, and other state employees assigned to work at Oregon State Hospital (OSH).

IV. PROCEDURES

- Attachment A Medical Equipment or Services Purchase
- Attachment B Durable Medical Equipment for Patients
