SELECT ONE: ☐ New policy ☐ Minor/technical revision of existing policy
☒ Reaffirmation of existing policy ☐ Major revision of existing policy

PURPOSE AND APPLICABILITY

- A. This policy and related procedures are established to mitigate potential risk and maintain a safe environment for patients and staff at Oregon State Hospital (OSH).
- B. This policy applies to all health care personnel (HCP).

POLICY

- A. Forensic Evaluation Service (FES) will minimize the potential for physical violence and injury among Oregon State Hospital (OSH) health care personnel (HCP), visitors, patients, and evaluatees involved in FES evaluations. To this end, FES will strive to acquire pertinent information about potential violence, communicate such information to all persons who need it, and provide an evaluation environment that is safe and secure.
- B. Oregon State Hospital (OSH) follows all applicable regulations, including federal and state statutes and rules; Oregon Department of Administrative Services (DAS), Shared Services, and Oregon Health Authority (OHA) policies; and relevant accreditation standards. Such regulations supersede the provisions of this policy unless this policy is more restrictive.
- C. Staff who fail to comply with this policy or related policy attachments or protocols may be subject to disciplinary action, up to and including dismissal.

Date: 12/18/2023

DEFINITIONS
