I. PURPOSE AND APPLICABILITY

- A. Oregon State Hospital may have law enforcement presence on campus for a variety of operational and safety-related purposes. This policy establishes guidelines for staff response to routine and non-routine law enforcement interactions to ensure safety, protect patient rights, and maintain compliance with applicable laws and regulations.
- B. This policy applies to all staff who interact with law enforcement.

II. GUIDELINES

- A. OSH will respond to all law enforcement presence on its campuses in a manner that prioritizes safety, preserves patient rights, and ensures compliance with applicable laws and regulations.
- B. When law enforcement is present at OSH for routine, scheduled activities, staff shall coordinate with the Administrator and follow established procedures.
- C. When law enforcement is present for non-routine or emergent situations, staff will immediately notify the Administrator and shall not independently grant access to patients, patient care areas, or protected information unless authorized.
- D. Oregon State Hospital (OSH) follows all applicable regulations, including federal and state statutes and rules; Oregon Department of Administrative Services (DAS), Shared Services, and Oregon Health Authority (OHA) policies; and

relevant accreditation standards. Such regulations supersede the provisions of this policy unless this policy is more restrictive.
