

OREGON STATE HOSPITAL

POLICY

SECTION 9: Training and Development **POLICY: 9.001**

SUBJECT: Basic Life Support (BLS) Cardiopulmonary
Resuscitation (CPR) Training and Certification

POINT PERSON: Director of Staff Education and Development

APPROVED: Dolores Matteucci
Dolores Matteucci
Superintendent

DATE: 06/28/2023

SELECT ONE: ☐ New policy ☒ Minor/technical revision of
existing policy
☐ Reaffirmation of existing policy ☐ Major revision of existing policy

I. PURPOSE AND APPLICABILITY

- A. This policy established Oregon State Hospital (OSH) procedures and requirements for Basic Life Support (BLS) Cardiopulmonary Resuscitation (CPR) certification for staff.
- B. This policy applies to all staff.

II. POLICY

- A. OSH acknowledges the key importance of properly recognizing and managing conditions that cause unconsciousness, airway obstruction, and cardiopulmonary arrest. Therefore, OSH designates staff who must maintain BLS CPR certification appropriate to their position.
- B. All staff working in the capacity of one of the positions listed in Attachment A of this policy (including overtime shifts) must maintain AHA BLS CPR certification. Other comparable certifications may be accepted by Learning and Development Department (LDD) on a case-by-case basis.
 - 1. Employees listed in Attachment A are responsible for maintaining their own certification and must avoid any lapse in certification.
 - 2. Individual departments are at liberty to require certification be completed more frequently than every other year.
 - 3. Employees not listed in Attachment A are encouraged to obtain and maintain certification in BLS CPR.

- C. Supervisors are responsible for verifying staff compliance with this policy at performance reviews.
- D. OSH provides relevant courses approved by the American Heart Association (AHA).
- E. LDD shall provide sufficient opportunities to recertify staff.
 - 1. LDD shall regularly distribute notifications of scheduled BLS CPR training.
 - 2. LDD shall provide quarterly reports on staff certification compliance to OSH management service staff.
- F. Only persons who are certified as instructors by AHA and who are approved to teach from the OSH AHA Training Center may certify or recertify employees in AHA BLS CPR.
- G. BLS CPR trainers must collect and submit all required AHA paperwork to LDD.
- H. Oregon State Hospital (OSH) follows all applicable regulations, including federal and state statutes and rules; Oregon Department of Administrative Services (DAS), Shared Services, and Oregon Health Authority (OHA) policies; and relevant accreditation standards. Such regulations supersede the provisions of this policy unless this policy is more restrictive.
- I. Staff who fail to comply with this policy or related policy attachments or protocols may be subject to disciplinary action, up to and including dismissal.

III. DEFINITIONS

- A. "Staff" includes employees, volunteers, trainees, interns, contractors, vendors, and other state employees assigned to work at Oregon State Hospital (OSH).
