SECTION 4: Fiscal **POLICY: 4.007**

SUBJECT: Asset Management

POINT PERSON: Chief Financial Officer

APPROVED: Sara Walker, MD  **DATE: JANUARY 15, 2025**
Interim Superintendent

SELECT ONE: ☐ New policy ☐ Minor/technical revision of existing policy
☐ Reaffirmation of existing policy ☒ Major revision of existing policy

I. PURPOSE AND APPLICABILITY

- A. This policy establishes Oregon State Hospital (OSH) systems and procedures for asset management.
- B. This policy applies to all OSH staff involved with procurement and inventory recordkeeping.

II. POLICY

- A. OSH follows the Department of Administrative Services Oregon Accounting Manual.
- B. OSH will maintain a system for asset accounting and control to:
 - 1. Safeguard assets within OSH against unauthorized use or removal,
 - 2. Provide accurate accounting of all State of Oregon assets owned and operated by OSH, including the reconciling and annual reporting of all Capital Assets,
 - 3. Assign responsibility to the Materials Distribution Warehouse (MDW) for asset control and management of all Capital Assets,
 - 4. Assign responsibility to the Business Office for annual inventory reporting and distribution,
 - 5. Assist the Superintendent in the effective management and accountability of property and equipment assets.

- C. Staff must follow the attached procedures of this policy for all matters in asset inventory, tracking, and record maintenance.
 - 1. Information technology assets are tracked and maintained according to OSH Policy 1.005 "Information Technology Hardware and Software - Purchasing and Use," and Office of Information Services (OIS) protocol.
- D. OSH follows all applicable regulations, including federal and state statutes and rules; Oregon Department of Administrative Services (DAS), Shared Services, and Oregon Health Authority (OHA) policies; and relevant accreditation standards. Such regulations supersede the provisions of this policy unless this policy is more restrictive.
- E. Staff who fail to comply with this policy or related policy attachments or protocols may be subject to disciplinary action, up to and including dismissal.

III. DEFINITIONS

- A. "Asset" refers to capital and non-capital assets.
- B. "Capital Asset" means tangible or intangible property used in agency operations having an initial estimated useful life of more than one year and an initial cost (including ancillary charges) of \$5,000 or more.
- C. "Non-Capital Asset" means tangible or intangible property used in agency operations with an initial estimated useful life of one year or more, and an initial cost (including ancillary charges) of less than \$5,000.
- D. "Property Disposition Request (PDR)" means a form that must be completed when an asset is no longer needed or usable for any reason, and removal from the property inventory record is necessary.
- E. "Property Inventory Record (PIR)" or "Capital Asset Property List (CAPL)" means a computer-generated list of assets which identifies each property, pertinent information regarding each property, and current location for each property.
- F. "Staff" includes employees, volunteers, trainees, interns, contractors, vendors, and other state employees assigned to work at Oregon State Hospital.
