POLICY: 5.001 DRUG AND ALCOHOL-FREE WORKPLACE

CONTACT: LINDSEY GUY

EFFECTIVE DATE: APRIL 1, 2026

PURPOSE OF THIS POLICY:

To establish OSH as a drug and alcohol-free workplace in accordance with OHA policy, define who this policy applies to, define situations requiring drug and/or alcohol screening, the procedures for doing so, and how the outcome of screening is managed

SUMMARY OF CONTENT CHANGE(S):

Updates are minimal and primarily focused on revising language to improve clarity and accessibility. Substantive changes are located in Procedures B and include:

Pre-employment drug tests are now scheduled through an online portal. Workflows have been developed in collaboration with Minnie McCloud-Walker, Michael Meadows, both from OHA Human Resources, and their teams. For cause/reasonable suspicion testing will now be conducted onsite, rather than requiring staff to be transported offsite.

Updates also include incorporating current procedures for pre-employment and for-cause (reasonable suspicion) evaluation and screening. These changes do not alter how positive drug test results are handled.

REASON FOR CHANGE(S):

To improve clarity and accessibility of policy language and to align procedures with current operational practices.
